

Renault Trafic

Follow us

Welcome to the
smartest way to say
"see you later"

The best of both worlds, at home in the city and on tour

The Frontline Traffic demonstrates an imaginative multi-purpose Campervan granting considerable everyday use or an option of touring this great country. The product is tried and tested and will provide a great mechanism to enjoy many great life experiences Australia wide.

The new Renault Trafic features a list of standard comforts and technology, including a modern and intuitive easy link multimedia system, displayed on an 8" central touchscreen. Keep in touch effortlessly with voice-controllable smartphone replication through Android Auto® and Apple CarPlay®, you'll be able to power through your adventures.

With the optional swivel seat with walk-through, you will discover the cabin area transforms into a clever additional living space that adds to the open feel of your Frontline.

Featuring Frontline's full elevation pop-top roof system that is perfectly suited to the hot Australian climate, provides greater air volume and ventilation than the former European tilt roof system.

A notable list of other added standard inclusions, the Frontline Traffic also features 12-volt lighting, 240-volt power points, auxiliary battery with auto charging system, water tank, sink with electric water pump, fridge freezer, table, and a choice of different stove options.

The industry leading euro5 efficient 2.0l Turbo Diesel engine is offered with either 6-speed manual or 6-speed automatic. Traffic can achieve fuel consumption results as low as 6.6l/100km.

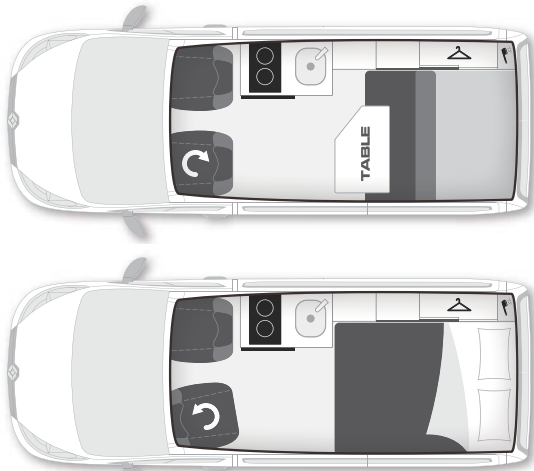

Frontline has manufactured over 4,000 quality campervans since 1987. We pride ourselves on maintaining a very well respected name by constantly producing quality products with highly trained staff, quality fittings and excellent after sales service.

Choose from three flexible smart campervan layouts to suit your camping style

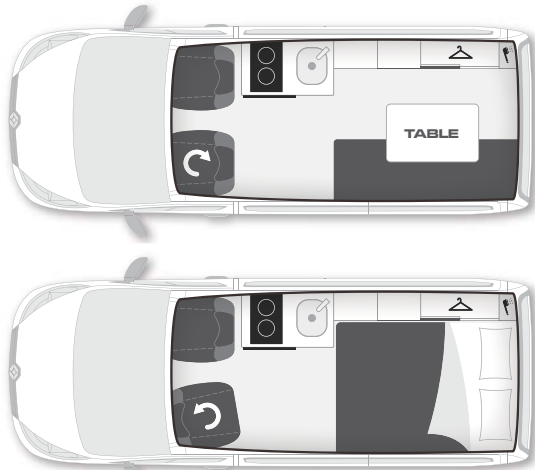

Ask the Frontline team which layout may suit your needs best
